Ship Overview:

The 126-passenger Expedition provides an intimate small ship cruising experience. Completely refurbished in 2009, she boasts spacious cabins, each featuring ocean-facing windows or portholes and private en-suite facilities. With a focus on safety, comfort and the unique demands of polar travel, the crew of the Expedition is committed to the ship's continued safe operation. Large common areas and observation decks provide panoramic views of the distinctive landscapes of some of the most remote regions on earth.
